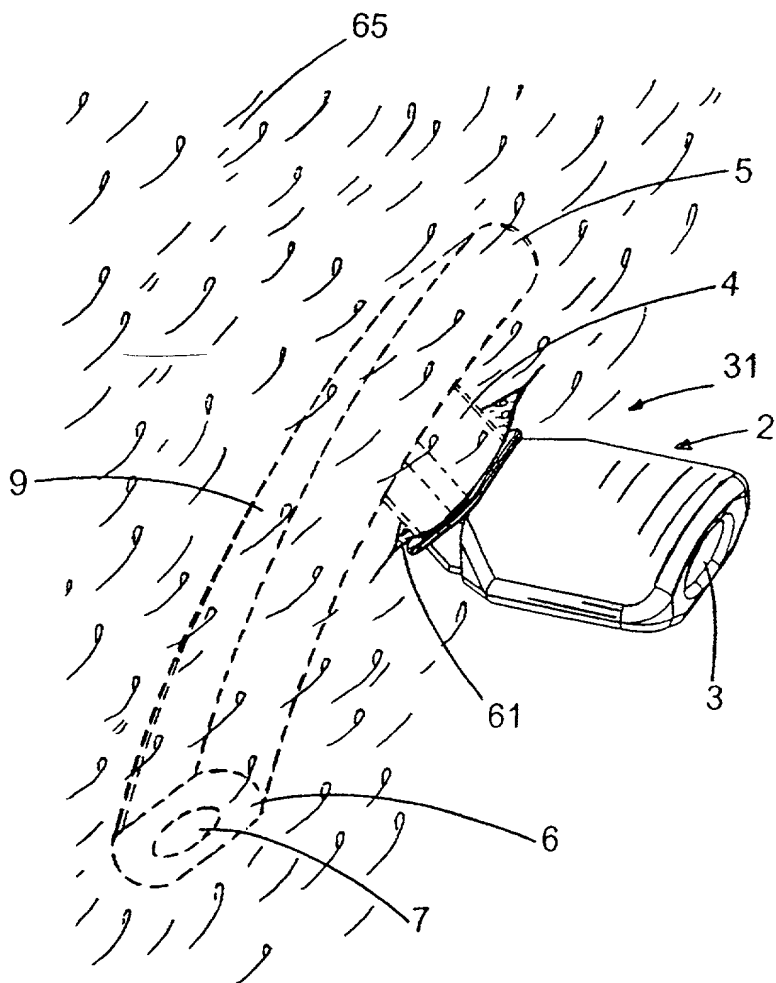

FIG. 6

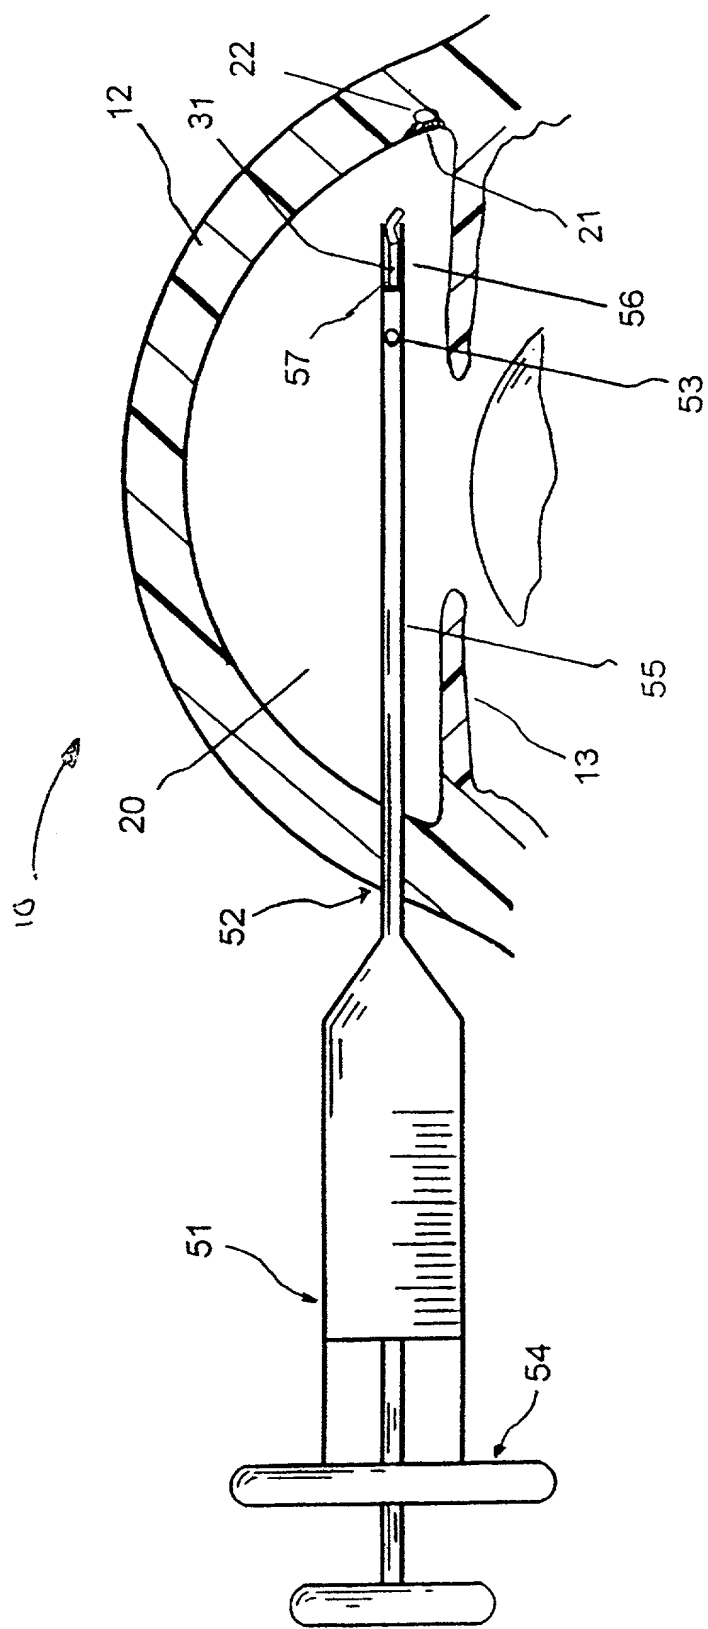

FIG. 7

A detailed cross-sectional diagram of a geological formation. The diagram shows a layered structure with a top layer (12), a middle layer (23) containing a branching structure (24), and a bottom layer (13). A central feature (22) is shown with a cross-section (2) and a longitudinal section (9). A dashed line (20) indicates a boundary, and a small feature (31) is labeled near the center. A large, textured area (43) is shown at the bottom left, and a wavy line (40) is at the bottom right.
